## Fun Facts about the Food Pantry

- Our customers are 36% children, 6% retirees and 58% adults.
- Our clients come to us – 1/3 for three months or less, 1/3 for six months or less, the remaining 1/3 we see every week.
- We provide roughly 3 days of food to each of our families.
- We help an average 500 clients and their families per week.
- We offer assistance to our clients once per week as opposed other pantries that restrict access to once a month.
- We distribute 300 boxes of macaroni, spaghetti, and cereal three times a week – 900 boxes and 1,200 cans of vegetables and fruit.
- In the first half of 2017, we received over 100 thousand pounds of food donations, which we distributed to our clients.
- Our shelves are often empty. To supplement food donations received, we spend up to an additional \$4,000 monthly on food.
- We are 100% volunteer based. There are no paid positions. Other than food, our operating expenses are approximately \$4,000 per month, and include rent, utilities and basic administration costs such as printing and supplies.
- We are privately funded, receive no government assistance, and rely 100% on the generosity of our volunteers and the donations

from local individuals, businesses, and religious and/or community organizations.
